NARRATIVE

The Palmdale Sheriff's Station is planning to submit a cooperative grant application to the State of California Off-highway Vehicle Recreation Division for the 2007/2008 grant period. We are seeking public input regarding the application and it's process.

California State Parks grants provide funding to help protect, maintain, and enhance O.H.V. activity within the State of California. If awarded, grant money will be used for enforcement of current California laws and regulations as they pertain to Off-highway Vehicle activity.

Comments on the application must be received by September 17, 2007. The public can submit their comments via e-mail to dljennin@lasd.org.

The draft application will be posted on the Palmdale Sheriff's Station volunteer website, www.avheros.com by August 18, 2007. Interested party's without internet access can contact Deputy Jennings of Palmdale Sheriff Station at 661-272-2415, or, send mail correspondence to 750 East Avenue Q, Palmdale, Ca., 93550. A copy of the application will be available in the Palmdale Station lobby.

Palmdale Sheriff's Station has had an active Off-highway Vehicle Team for approximately seven years, and operates with a balance of enforcement and educational techniques.
